EXPLANATION OF RELEVANCE

References AA, AL, AT and AY were cited by the German Patent and Trademark Office during examination of the counterpart German application.

References AU through AY were identified and discussed in the present specification, and Applicants stand by the statements in the specification concerning the teachings of those references.

Copies of each of the above references together with Form 1449 are submitted herewith.

Since all of these references are in English, no further commentary concerning their teachings is necessary.

As of the date of mailing of this Information Disclosure Statement, a first Office Action on the merits has not been received in connection with this application. This Information Disclosure Statement is therefore in compliance with 37 C.F.R. §1.97(b)(3), and no fee is necessary.

All claims of the application are submitted to be patentable over the teachings of the above references, taken singly or in combination. Early consideration of the application is therefore respectfully requested.
